Required School Supplies 2011–20112

The Elementary Teachers are purchasing uniform high quality supplies for the students to ensure an optimal learning environment. In the lower Elementary, supplies will be shared communally in the classroom. The Upper Elementary students will have their own supply kit. Instead of submitting cash payment for your child's supplies, this year the finance office will charge the supply fee directly to your invoice. The prices are as follow:

Pre-K, Kindergarten, and First Grade-20,000 fcfa

Second, Third, Fourth, and Fifth Grades-22,000 fcfa

Parents will be responsible to purchase Physical Education uniforms (t-shirts and shorts) and French dictionaries separately through the school supply store.

Please note that the supplies will stay at school. I recommend for you to put together a home learning kit for your child to use for homework, projects, and independent learning. A plastic crate or sturdy shoe box would work great. This "learning kit" should include pencils, a pencil sharpener, an eraser, notebook paper, white paper, crayons or colored pencils, markers, a ruler, scissors, and glue sticks. Highlighters and sticky notes, compass, protractor, watercolors, etc. may be added as needed. Dictionaries and thesauruses are also valuable resources to have readily available.

If you have any questions regarding the supplies, please do not hesitate to contact the Elementary Principal, Ms. Angel Prince at 50-36-21-43 or aprince@iso.bf.

Thank you for your support in your child's education!
